

## **Buried in Work Launches Collection of Resources to Help Locate \$70 Billion of Unclaimed Property**

**WASHINGTON - May 15, 2024 - [PRLog](#)** -- Buried in Work, a leading resource for simplifying estate planning, end-of-life tasks, and estate transitions, is proud to announce the launch of a new collection of resources to help individuals locate their unclaimed property. This initiative aims to assist the more than 30 million Americans with unclaimed property discover their share of more than \$70 billion dollars in unclaimed property that may have been forgotten or overlooked.

### **About Unclaimed Property**

Unclaimed property often includes assets such as dormant bank accounts, uncollected insurance policies, utility deposits, and the contents of safe deposit boxes. With the right knowledge and resources, these valuable assets can be reclaimed by their rightful owners.

Our new collection of resources provides easy access to:

- **State Unclaimed Property Databases:** Links to all 50 state databases where you can search for unclaimed property associated with your name or the name of a deceased loved one.
- **Federal Databases:** Links to 8 federal databases to help you reclaim assets that may be held by the government.

Visit Find Your Unclaimed Property (<https://buriedinwork.com/find-unclaimed-property>) to start your search today and ensure every asset finds its rightful place.

### **About Buried in Work**

Buried in Work provides resources to simplify the burden of estate planning, end-of-life tasks, and estate transition. Launched in memory of a personal loss—the passing of Buried in Work's founder's father after a prolonged fight with leukemia—our resources consist of free tools for do-it-yourselfers and paid products and services for those who prefer directed assistance.
